WHERE DID YOUR ANCESTORS COME FROM?

Halvor, the family cook from *To Catch a Mermaid*, is very proud of his Norwegian blood and that some of his ancestors were Vikings.

He eats lots of fish, just like his ancestors ate, and he belongs to a club called The Sons of the Vikings, where he celebrates his heritage.

Where did your ancestors come from? Write a few sentences about your heritage. Does your family cook any special foods or keep any traditions from your heritage? (Continue on the back if you need more room.)
